

Vertically fixed AWP

Expandable seal

Thermabrik soldier course
fixed with 2 TBR fixings per brick

Expandable seal

Cut Thermabrik fixed with
structural adhesive
Structural adhesive

KS1000TB

Thermabrik

Fixing Method

Every other brick in the fourth course
is fixed directly to the panel approximately
1/3 in from the end of the brick.
Thereafter, every fourth course of thermabrik is
fixed as before with the fixings starting from opposite
ends to stagger the fixings up the wall.
